

Draw your favourite fungus

We want you to draw a picture of a fungus. It may be one that you have seen on a walk or it may be from a book or from our gallery of fungus photos. Whatever you decide, name it (the English common name will be fine) and tell us a little bit about it if you can. What colour is it, how big is it and where do you find it growing?

ENTRY DETAILS: Please send your entries by Monday 5th October 2015 to:

UK Fungus Day Favourite Fungus Competition
c/o Mr Joel Hacking (UK Fungus Day Coordinator)
British Mycological Society
City View House
5 Union Street
Ardwick
Manchester
M12 4JD

Tel: +44 (0) 161 277 7638
Fax: +44 (0) 161 277 7634
Email: ukfungusday@britmycolsoc.info

PRIZES: The top ten prize winners will receive a microscope and an Usborne 'Spotters guide to mushrooms and fungi'. Additionally, the school will receive a schools pack of resources and activities for a fun with fungi afternoon in the classroom.
