

UK Fungus Day

At Shire Brook Valley Nature Reserve

Saturday 2nd October 2021

Drop in between 11am and 3pm

Come and find out about the wonderful world of fungi with **Sorby Fungus Group**. We will be holding a family friendly drop-in event at **Shire Brook Valley Nature Reserve**. We will be based outside the Visitor Centre off Stone Lane. The car park is just before the Visitor Centre, S13 7BR.

There will be displays and information, along with a few experts to answer questions, activities, and freebies courtesy of the British Mycological Society. There will be a self-guided fungus trail and a guided walk in the afternoon at 1pm.

Contact Chris Kelly fungi@sorby.org.uk
or Nell Dixon nell.dixon@sheffield.gov.uk with any queries.

In addition, the UKFD <https://www.ukfungusday.co.uk> website has details of lots of activities, information and resources to enjoy, including a quiz, a photo competition, videos of arts and crafts relating to fungi, and an interview with the legendary Roy Watling.
